"Education is the all-round drawing out of the best in child and man- body, mind and spirit"-Mahatma Gandhi.

Maheshtala Municipality as per demand of the citizens of Maheshtala has constructed a Super Speciality Hospital at Santoshpur G.S. Colony named as Kasturi Das Memorial Super Speciality Hospital. The hospital is operational with OPD and 104 indoor beds since June, 2019 and upgraded to 164 beds in the year 2023. It is a dream project of Maheshtala Municipality towards extending curative health services to the citizens of Maheshtala and the neighbouring areas.

As a sequence of the dream project A Nursing Institution has been opened for nursing education and placement in the hospital of Maheshtala Municipality as well as in other hospitals.

Considering all aspects, Maheshtala Municipal Institute of Nursing Science Started on 2020-2021 Academic year of General Nursing and Midwifery (GNM) Course and (BSc) Nursing Course of the academic years 2021-2022 onwards.

The conduction and operation of this course will be managed by Dishari Health Point a professionally efficient health care provider well known in the field and has wide spread experience & reputation in health sector especially in West Bengal for last sixteen years.

Sanction from the West Bengal Nursing Council, West Bengal University of Health Sciences & Indian Nursing Council has been obtained.

The students will get best of learning from the reputed faculty and best hands-on training at the Kasturi Das Memorial Super Speciality Hospital. The students will also get further attachment with Urban Primary Health Centre, Rural Primary Health Centre and other authorised affiliated hospitals.

INFRASTRUCTURE

MMINS College of Nursing has highly equipped 164 bedded Super Specialty parent hospital for practical training.

MMINS College of Nursing is functioning temporarily at Kasturi Das Memorial Super Speciality Hospital building **Mollargate**, Maheshtala with a spacious class room, most modern teaching technology and well-equipped laboratories for fundamentals of Nursing, Community Health Nursing, Nutrition, Obs-Gynae & Paediatrics, Anatomy, Physiology and Computer Sciences, till the alternative accommodation is ready for full-fledged operations.

An excellent and scientifically classified Library with a large number of essential books, periodical and both National & International Journals provides facilities to the student to do their references and research works.

Apart from the Academic proficiency, the aim is to develop the cultural and sports talents of our student by giving them ample facilities and opportunities in those areas as well.

A team of highly qualified, well experienced and totally committed faculty members bestow their personal care and attention on the overall development of our students.

We plan to conduct seminars and competitions for the development of the students in our Auditorium.

A well furnished, secured hostel facility is available with modern kitchen & dining Space. Canteen serving timely, hygienic, nutritious & balanced diet.

We have facilities for the entertainment and relaxation of the students.

PHILOSOPHY

The guiding philosophy is based on the MMINS College of Nursing values: collaboration, social responsibility, integrity, respect, accountability, diversity, and excellence.

MISSION

The mission of the Institution is to produce nurses who will: apply scientific evidence to promote the health and well-being of all in need of care & serve as leaders in advancing the practice of nurses by applying, generating, and testing innovative models of care.

To seek opportunities for professional growth, evaluation of practice, and policy development throughout their careers.

OBJECTIVES

The specific objectives of the Nurse-Midwifery track are to prepare nurses who will provide competent, safe, high-quality and culturally sensitive nursing care to address the health needs of all.
